INTRODUCTION / ACCOMMODATIONS

"SUPERSTAR" is a yacht designed for ultimate comfort and style. This overview provides a glimpse into her features and layout.

"SUPERSTAR" offers convenient boarding options, either from midship or the Swim Platform. The Swim Platform leads to Teak decks and stairs on both sides, providing access to the Aft Deck.

Upon reaching the Aft Deck, a curved u-shaped seating area with a Teak table welcomes guests. To enhance the onboard experience, a bar with a sink, undercounter refrigerator, and icemaker is positioned to port.

Double stainless sliding doors lead from the Aft Deck to the Salon. Inside, a sophisticated atmosphere awaits with a bar, sofas, and a formal Dining area for eight guests. Stone countertops adorn the Galley, which features a Country Kitchen design with stainless appliances.

The Main Deck hosts the Master Stateroom, full-beam with a King Berth, cedar-line closet, and his-and-her heads connected by a spacious walk-in shower. The VIP Stateroom and two Guest staterooms, each with en-suite heads, are accessible via Companionways.

Accessed from midship, the Pilothouse boasts a large settee and well-laid-out electronics. A glass sliding door leads to the Flybridge with a main Helm, bar, seating, and a hot tub with a sunpad cover. A 2000lb. Davit is available for lifting toys.

The Crew Quarters, including a Captain's Cabin and two Crew Cabins, feature en-suite heads. The Engine Room, accessible through a watertight door, houses rebuilt MTU 16V2000 main engines. Recent upgrades include a new Bow Thruster, serviced Stabilizers and bow Windlass replacement.

"SUPERSTAR" stands out with its recent upgrades. Ready for cruising with rebuilt engines and meticulous maintenance, it promises an unparalleled yachting experience for its new Owner.
