OVERVIEW

CHINDON is a meticulously maintained 2017 Ocean Alexander 100' Motor Yacht that blends long-range cruising capability with the luxury, volume, and refinement typically found on significantly larger yachts. Designed by renowned naval architect Evan K. Marshall, CHINDON showcases Ocean Alexander's signature engineering, expansive glazing, and sophisticated interior craftsmanship, delivering exceptional comfort for private ownership or charter use.

Built with Ocean Alexander's advanced structural engineering and sound-reduction technologies, the yacht offers an impressively quiet and stable onboard experience. Powered by twin MTU 12V2000 1,920HP engines, CHINDON cruises comfortably at 16 knots with a top speed of 25 knots. Her layout accommodates up to eight guests in four luxurious staterooms, along with dedicated crew quarters for professional operation.

Recent upgrades and maintenance completed in 2022 and 2025 further elevate the yacht's turnkey appeal, including a full bottom job, new underwater lighting, updated electronics, Yacht Controller and DockMate systems, extended propulsion warranty coverage through 2027, and extensive mechanical servicing.

With expansive indoor and outdoor entertaining areas, panoramic salon windows, premium stone finishes, and an advanced Garmin navigation suite, CHINDON represents an outstanding opportunity in the 100-foot luxury motor yacht market.

HIGHLIGHTS

- 4 stateroom layout accommodating 8 guests including full beam on deck master
- Exceptional interior volume
- Extensive 2022 and 2025 upgrades and servicing completed
- Extended engine propulsion warranty through March 2027
- Sidepower Vector Fin stabilizers with zero-speed stabilization
- N2KView remote monitoring and vessel management system
- Massive panoramic salon windows with marine-grade aluminum beam engineering
- Evan Marshall-designed interior and exterior styling
- Walnut satin interior joinery with premium marble and quartz finishes
- Spacious skylounge with wet bar and helm station
- Country kitchen-style galley
- Large exterior entertaining areas including bow lounge and flybridge
- Teak decks and teak swim platform
- Hydraulic yacht crane
- Reinforced towing cleats
- Sea Recovery 1,400 GPD water maker
- Professionally maintained with recent polish, bottom paint, shaft seals, zincs, and new teak swim platform

RECENT IMPROVEMENTS

Updated 2025

- Full bottom service completed with two to three coats of bottom paint
- Prop Speed application completed
- New underwater lighting installed
- New shaft seals installed
- New zincs replaced
- New teak installed on the swim platform
- Complete professional exterior polish completed
- Exterior cushions professionally cleaned
- Interior carpeting professionally cleaned

Updates 2022

- Extended Engine Propulsion Coverage Warranty through March 18, 2027
- Veem propellers installed
- Duramax bronze shaft cutlass bearings replaced
- PSS dripless shaft seals installed
- Backup G251M depth sounder transducer installed
- Yacht Controller wireless handheld docking system added
- Dock-Mate remote control docking system installed
- Additional 72k BTU A/C chiller installed
- Engine, generator, and house batteries replaced
- Generator turbochargers replaced
- 1700-hour generator service completed
- New water maker membranes installed
- Sailor 600 ViaSat KA VSAT added
- Garmin Fantom 24 radar installed
- Garmin mast camera installed
- AQUA underwater lighting installed
- Swim platform washdown connection added
- Additional A/C raw water discharge added
- Huper Optik nano-ceramic window tint applied
- Additional overhead lighting installed in owner's head
- Apple TVs installed throughout

- Garmin 12" display added in captain's cabin
- LED exterior overhead lighting upgraded
- 12-person Ocean Safety life raft added
- Lazarette shelving installed
- Electric BBQ grill installed
- Removable boat deck handrails added
- Aluminum exterior crew door installed
- Port side pop-up cleat installed
- Reinforced towing cleat plates installed
- Galley countertops treated with AntiEtch protection
- New blinds installed

CONSTRUCTION & EXTERIOR FINISH

- Vinylester resin construction with high-density structural foam
- Longitudinal and lateral fiberglass stringer system
- Advanced sound and vibration reduction engineering throughout
- Multiple insulation barriers utilizing reflective, absorptive, and dampening materials
- Sylomer floating floor system
- Fiberglass infusion lamination construction
- Reinforced collision bulkhead
- Frameless window design
- 316 stainless steel exterior hardware
- Weather-tight insulated bulkheads
- Alexseal painted exterior finish with epoxy primers
- Marine-grade aluminum beam construction for increased rigidity
- Carbon fiber reinforcement in high-stress areas
- Fiberglass staircase with teak treads from cockpit to flybridge

Hull / Bottom

- Black bottom stripe
- Bonded structural interior components
- Seahawk epoxy barrier coating system
- Self-polishing bottom paint
- Fiberglass rub rail with stainless striker plate
- Bronze through-hull fittings

FRESH WATER SYSTEM

- 316 stainless steel freshwater tanks with sight gauges
- Headhunter pressure freshwater system
- Freshwater outlets for engines and generators
- Freshwater washdowns at bow, stern, and boat deck
- Dockside water connection
- Dual 40-gallon water heaters

FUEL SYSTEM

- Fuel tank sight gauges
- 5052 aluminum fuel tanks
- High and low fuel level alarm system
- Dual Racor fuel/water separators
- Gulfcoast fuel polishing system
- Port and starboard fueling capability
- Overflow catchment and venting system

HOLDING TANK SYSTEM

- ECOmar waste treatment system rated for 600 gallons per day

BILGE / DISCHARGE

- Oversized overboard drains
- Automatic bilge pumps
- High-water bilge alarms
- Dry bilge arrangement in engine room
- Illuminated bilge spaces with stainless access ladder

MACHINERY

- Twin MTU 12V2000 1,920HP diesel engines
  - Engine Hours (as of October 2026: Stbd:1,773 / Port: 1,768)
- Extended propulsion warranty through March 2027
- Engine alarm monitoring system
- Stainless steel engine beds
- Lube oil transfer system
- Delta-T ventilation system with variable frequency drives
- Fire damper protection system
- Delta-T water separator grills
- Adjustable reversible engine room exhaust fans
- Stainless engine rail system
- Stabilizer PTO redundancy from both engines
- Complete skylounge engine instrumentation package

STEERING & MANEUVERING SYSTEMS

- Hydraulic steering system
- Complete helm instrumentation package
- Stainless steel rudders with zinc protection
- Dripless rudder seals
- NiBrAl Class-S propellers
- Ultraleather-wrapped steering wheel
- Dripless shaft seals
- Aqua 22HS propeller shafts
- Stidd electric helm seating

GENERATORS

- Twin Kohler 55KW generators
- Hours (as of October 2026): 2,600 on each
- Water-drop style exhaust system
- Sound shield and vibration isolation mounting system

WINDLASS

- Dual 4,000lb hydraulic windlasses
- Stainless steel pool anchors
- 300' anchor chain
- Maxwell anchor winches
- Dual 2,500lb electric aft deck winches
- Reinforced anchoring platform
- Chain counter
- Integrated anchor washdown system

THRUSTERS / STABILIZERS

- Sidepower Vector Fin stabilization system
- Zero-speed stabilization capability
- 55HP bow thruster
- 40HP stern thruster

NAVIGATION & ENTERTAINMENT SYSTEMS

- Garmin 8600 Black Box navigation system
- Triple 24" touchscreen displays
- Garmin GRID remote input system
- Garmin 25KW open array radar
- Garmin autopilot
- Garmin VHF system
- Garmin black box sounder
- Garmin AIS system
- Garmin marine multi-display
- Garmin engine room and aft deck cameras
- DIRECTV receivers
- Ritchie compass

- iPad Garmin integration
- N2KView safety and security monitoring package

INTERIOR DECORATING FEATURES

- Walnut satin wood interior
- Removable ceiling panels
- Evan Marshall-designed pilot station
- Decorative marble inlays
- Fresh air ventilation system
- European hardware and locks
- Fabric-covered lower walkway walls
- Concealed cabinet hinges
- Premium mattresses and seating
- Washer and dryer
- Additional refrigeration
- Convertible guest berth arrangements
- Electrical window shades
- USB charging ports

SKY LOUNGE

- 48" LED television
- Wet bar cabinetry
- Refrigerator and ice maker
- Phantom screen system
- Sofa seating
- Day head
- Chart locker
- Dual electric Stidd helm seats

SALON

- 60" flip-down LED television
- Blu-ray entertainment system

- Custom wood flooring
- Wood cabinetry and paneling
- Marble countertops at the wet bar
- Decorative ceiling treatments
- Phantom screens
- Enlarged salon windows
- Floating floor system
- Subzero refrigeration

GALLEY

- Custom cabinetry with positive-lock drawers
- Marble countertops and flooring
- Elkay professional sink system
- Thermador cooktop and oven
- Subzero refrigerator/freezer
- Subzero ice maker
- Subzero wine cooler
- Viking microwave
- Thermador dishwasher
- Whirlpool trash compactor
- Seagull water purification system

ACCOMMODATIONS

MASTER STATEROOM

- King-size berth
- Quartz stone countertops
- Hidden safe
- Floating floor system
- Walk-in closet
- Custom upholstered headboard
- Cedar-lined hanging lockers
- Enlarged master bath windows
- Heated marble flooring in the master head

GUEST STATEROOMS

- Three additional guest staterooms accommodating up to six guests
- Forward VIP stateroom with ensuite head
- Port and starboard guest staterooms with convertible side-by-side berths
- Marble and granite countertops and flooring throughout guest heads
- Custom "crystal clear" glass shower enclosures
- Cedar-lined hanging lockers with automatic lighting
- Premium walnut satin joinery and soft wall coverings
- In-glass portlights providing natural light throughout accommodations
- Individual climate control and entertainment systems in each stateroom
- Ensuite guest heads with Planus toilet systems and custom fixtures

CREW ACCOMMODATIONS

- Cedar-lined hanging lockers
- Crew kitchenette
- Storage lockers
- Under-berth storage
- Microwave oven
- 32" television with satellite receiver
- Captain's private cabin and head
- Dedicated workbench and tool chest
- Wet locker storage
- Fully air-conditioned crew accommodations

EXTERIOR FEATURES

- Evan Marshall-designed exterior helm console
- Stainless steel handrails and stanchions
- Stainless steel cleats
- Electric sliding salon doors
- Foldable swim ladder
- Weathertight transom access door
- Flybridge seating and table

- Fiberglass flybridge stairway
- Teak aft deck and walkways
- Teak swim platform
- Boarding gates
- Bow lounge seating with hi-low table
- Manual bow awning system
- Custom exterior canvas covers
- Increased flybridge storage
- Removable ceiling panels
- LED underwater lights
- Transom safety gates
- ACR searchlight
- Flybridge and aft deck televisions
- Jacuzzi pre-plumbing and wiring

EXCLUSIONS

The owner's personal belongings are excluded from the sale. A detailed exclusions list will be provided upon written request at the time of sale.

DISCLAIMER

Details of this vessel are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Buyer should instruct his agents, and/or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
